RE: RoHS Compliance

Aetna Plastics  
1702 St. Clair Ave.  
Cleveland, OH 44114

Per your request dated 2/1/07, I wanted to confirm that none of the products that Aetna Plastics has purchased from CoreTec DelStar Technologies have been manufactured using any of the regulated substances contained in the European "Restriction of Hazardous Substances" (RoHS) list.

The listed banned are:

Lead

Mercury

Cadmium

Hexavalent chromium

Polybrominated Biphenyls (PBB)

Polybrominated Diphenyls (PBDE)

Pentabromodiphenyl Ethers (PentaBDE)

Octabromodiphenyl Ethers (OctaBDE)

Please do not hesitate to call with questions. Thank you for your business.

Best regards,

Sarah Mathias
