Subj: RoHS and REACH declaration

Crown Plastics Company of Harrison, Ohio certifies that none of the UHMW products-- natural and pigmented-- including pressure sensitive adhesives -- contain any of the substances found on the Restricted Substance List of the EU Directive 2011/65/EU. (RoHS 2) and RoHS 2015/863/EU.

Please be advised that none of the products supplied by Crown Plastics Company of Harrison, Ohio contain any of the Substances Of Very High Concern (SVHC) as outlined in the 'Candidate List' of the European Chemicals Agency (ECHA). This would include all natural (non-pigmented) and black-pigmented UHMW products, as well as all products laminated with a pressure-sensitive adhesive (PSA).

On January 15, 2018, ECHA added seven additional substances to its list of SVHC candidates now totaling 181. Crown Plastics Company confirms that none of our products contain any of these additional substances of very high concern.

Please feel free to contact me if you require further assistance.

Best Regards,

Scott Currie
