

PTFE Sheet, Rod and Tube

Fabricated Parts & Components

"DRC CONFLICT FREE" CERTIFICATION

In accordance with your request, Fluoro-Plastics, Inc. makes the following certification regarding "Conflict Minerals" as defined and restricted by Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, including Section 13(p) of The Securities Exchange Act of 1934, which law is designed to prevent the direct or indirect financing of armed groups in the DRC or adjoining countries responsible for violence and humanitarian violations in the eastern DRC:

DEFINITIONS

"Conflict Minerals" means (i) gold and (ii) tantalum, tin and tungsten (derivatives of columbite-tantalite (coltan), cassiterite and wolframite) regardless of origin.

"DRC" means Democratic Republic of Congo.

"Adjoining Countries" of the DRC are Angola, the Republic of Congo, the Central African Republic, South Sudan, Uganda, Rwanda, Burundi, Tanzania and Zambia.

CERTIFICATION

I certify as the authorized officer or representative of Fluoro-Plastics, Inc. that neither Fluoro-Plastics, Inc. nor its suppliers use any conflict minerals as intentional ingredients in the manufacture of our virgin PTFE products. This includes all virgin PTFE plate, sheet, rod, tube, thin film and extruded profile products.
