QUALITY PROFILES & TUBING AT COMPETITIVE PRICES

## CONFLICT MINERALS STATEMENT

The newly implemented Dodd-Frank Act requires companies to report and make public the use of any "conflict minerals" from the Democratic Republic of the Congo or adjoining countries in their products. The Dodd-Frank Act defines conflict minerals as Tantalum (TA), Tin (Sn), Gold (Au) and Tungsten (W).

Hudson Extrusions Inc. does not intentionally add the above substances in the manufacture of our products. To the best of our knowledge, our raw material suppliers do not intentionally add the above substances in the manufacture of their products. However, we do not routinely analyze our resins for the above substances nor, do we require our raw material suppliers to do so.
