The purpose of this letter is to provide a response from Industrial Specialties Mfg., Inc. ("ISM") to your inquiry in connection with REACH, the European Union (EU) Regulation on Chemicals.

Upon review of the REACH requirements, we would like to share the following pertinent information with your company:

1. ISM parts do not contain any Substances of Very High Concern as listed in the current Reach list of substances.
2. Furthermore, ISM has not appointed a representative in Europe to meet the registration requirements of the REACH directive.
3. ISM is not an EU company.
4. ISM does not manufacture, import nor export to an EU member country (the "Community") any substance, preparation or article in quantities in excess of one (1) ton.
5. Therefore, ISM is not subject to the registration requirements of REACH.

The individual responsible at ISM for any REACH inquiries is as follows:

James Davis
