**Aetna Plastics**  
9075 Bank Street  
Valley View, OH 44125

#### REACH STATEMENT

Nylatech certifies that the cast nylon materials supplied to Aetna Plastics contain none or less than 0.1% w/w of any one chemical of those listed on the substances of very high concern (SVHC) updated January 15, 2018 with the exception of 1-Methyl-2-pyrrolidone (NMP). Our nylon materials contain 1% or less of NMP. If you or your customer have any further questions, please do not hesitate to call. Thank you for the opportunity to supply your Cast Nylon needs.

Sincerely,

Isaac White  
Nylatech, Inc.
