

RoHS MATERIAL CERTIFICATION

June 1, 2018

Aetna Plastics
9075 Bank Street
Valley View, OH 44125

Nylatech certifies that the Nylatech Nylon material produced for Aetna Plastics meets the requirements of the RoHS Directive. The material is free from the following substances listed by RoHS:

Lead
Cadmium
Mercury
Hexavalent Chromium
Polybrominated biphenyl
Polybrominated diphenyl ether

If you have any further questions, please don't hesitate to call.

Thank you for the opportunity to supply your Cast Nylon requirements.

Sincerely,

A handwritten signature in black ink, appearing to read 'Isaac White', is written over a faint, larger version of the signature.

Isaac White
