*RE: Dodd-Frank Act Conflict Minerals Compliance
Plaskolite Acrylic Plastic Products*

To Whom It May Concern:

In July 2010, the Dodd-Frank Wall Street Reform and Consumer Protection Act was signed into law (the "Dodd-Frank Act"). Section 1502 of the Dodd-Frank Act requires all US publicly traded companies to file disclosures and reports with the U.S. Securities and Exchange Commission (SEC) related to the use of Conflict Minerals (tin, tantalum, tungsten and gold) in their products.

Plaskolite, Inc.'s acrylic plastic products do not contain any tin, tantalum, tungsten or gold subject to the Conflict Minerals requirements of the Dodd-Frank Act. This determination is based upon reviews of Plaskolite's raw materials and manufacturing processes.

Please contact us at (614) 294-3281 if you have any questions related to this matter.

Sincerely,

Timothy W. Ling, P.E.
Environmental Engineer
