Absence Declaration (SVHC) REACH

Compliance:

To the best of our knowledge, we herewith confirm that the substances mentioned on the **Candidate List of Substances of Very High Concern published by ECHA on December 16, 2013** are neither intentionally introduced* during the production of the raw materials nor during the manufacture of the below mentioned stock shapes, or that the maximum concentration of 0.1% (w/w) mentioned by ECHA has not been exceeded.

However, since the presence of the above mentioned substances cannot reasonably be expected, Quadrant Engineering Plastic Products does not check its absence in its stock shapes by testing.
