

January 2018

Material Compliance Letter

Applicability: All polymer products produced by or sold by Tri Star Plastics Corp.

To Whom It May Concern: This letter is to confirm the REACH registration status, the SVHC content under REACH, Conflict Minerals and the RoHS compliance of the Product(s): All Products Sold By the Company.

We hereby certify that all the components utilized in the production of these items are REACH registered. We also confirm that during manufacturing there is no intentional addition of any substance on the REACH Candidate list for Substances of Very High Concern (SVHC) list for authorization as published by the European Chemical Agency (ECHA) pursuant to article 59(10) of the REACH legislation as of its most recent compliance update containing 181 items dated January 2018 the and following additions:

"4,4'-isopropylidenediphenol(bisphenol A; BPA)"	80-05-7 2	01-245-8
Chrysene	218-01-9	205-923-4
Benz[a]anthracene	56-55-3	200-280-6
Cadmium Nitrate	10325-94-07	233-710-6
Cadmium Hydroxide	21041-95-2	244-168-5
Cadmium Carbonate	513-78-0	208-168-9

Dodecachloropentacyclo[12.2.1.16,9.02,13.05,10]octadeca-7,15-diene ("Dechlorane Plus"™) [covering any of its individual anti- and syn-isomers or any combination thereof]

Reaction products of 1,3,4-thiadiazolidine-2,5-dithione, formaldehyde and 4heptylphenol, branched and linear (RP-HP) [with ≥0.1% w/w 4-heptylphenol, branched and linear]

You can find the most up-to-date SVHC Candidate list on the ECHA website at [www.echa.europa.eu/candidatelist-table](http://www.echa.europa.eu/candidatelist-table). We also confirm that during manufacturing that there is no intentional addition of any substance listed in the EC Directive 2011/65/EU of June 8, 2011 and amendments on the restriction of certain hazardous substances in electrical and electronic equipment (RoHS) - this includes heavy metals such as cadmium, mercury, lead, and hexavalent chromium; polybrominated biphenyls and polybrominated diphenyl ethers (including decabromodipheylether). And finally, we confirm that none of our products contain any metals whatsoever including those listed under the Conflict Minerals regulations and specifically gold, tin tungsten and tantalum.

Best Regards,

Dave Biering
