

CALIFORNIA PROP 65 STATEMENT

Dear Valued Customers,

This certificate is to inform TriStar Plastics Corp's customers that items produced by TriStar Plastics do not contain active chemicals which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986.

This Act, commonly known as Proposition 65 (Prop 65), establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm.

The Proposition 65 chemical list can be found at:
<https://oehha.ca.gov/proposition-65/proposition-65-list> May 2018 Update

Be assured, TriStar Plastics will continue to monitor the Proposition 65 regulations for any new chemicals. TriStar will compare any newly listed chemicals with the raw materials in our finished product and communicate this information to our customers.

If you have any further questions or request's please contact me directly.

Sincerely,

Dave Biering
Vice President – Technical Sales
